### **Subject: Diplomatic Status and Confidentiality of Treaties**

To Whom It May Concern,

This letter is issued by the Legal Department of Helping Hands Inc. Humanitarian All Nations Diplomatic Mission (HHIDM) to formally affirm the diplomatic status and global activities of HHIDM as an international Humanitarian Diplomatic Mission.

HHIDM operates under the distinguished leadership of the Honorable Minister of Peace, Kaushalya Siriwardana, who serves as the Head of the Diplomatic Mission of our Governing Body. Minister Siriwardana is officially recognized as the Minister of Peace within HHIDM, in association with the African Union, along with other significant international endorsements. Under this esteemed leadership, HHIDM has successfully established multiple bilateral treaties with internationally recognized states and organizations.

In compliance with international legal standards, we underscore that HHIDM adheres to the principles set forth in the Vienna Conventions (1949 and 1969) and the Geneva Conventions. While these conventions inform the conduct of our diplomatic mission, HHIDM's recognition under these frameworks has not been publicly declared. Consequently, all HHIDM diplomatic engagements and treaty agreements remain confidential until an official public disclosure is deemed appropriate.

Please be advised that, in strict adherence to our legal obligations and diplomatic protocols, HHIDM will withhold public access to any treaties or agreements until such time as their disclosure is formally announced.

HHIDM reaffirms its commitment to advancing global peace, sustainable development, and humanitarian leadership within the bounds of established international legal frameworks. Should further official documentation or clarification regarding our diplomatic status be required, please do not hesitate to contact our office.

Respectfully,

Atty. Hernán R. Batres, Esq.
